This diplomat guy with the pink hat is Stumatt. When it comes to society he's strictly in it.

The great shown above is an actor of parts. He is also a zealous pursuer of hearts.

McDonagh is a lawyer man as you can plainly see But Mac would rather substitute in high society.

Why did they thus make Jimmie
look as though he were in pain?
And all his friends are sure they
never saw him with a cane.

About Jimmie Cooke it has often
been said
That thinking would wear all the
hair off his head.

When you are ill, call Doctor Pill,
he'll surely save your life.
He always uses large fat pills. They
don't call all his knife.

Oh, who would think this high-bred
gink would stoop unto such folly,
As playing bully, but still he does,
this smiling goat named Wolfe.

The thing about Mary of which I must speak is the fact that he quits track athletics each week.

Here is a gentle little lad, his cheeks are like a rose.
He says he shaves three times a year. When he does it no one knows.

This smiling young lucky is Swimmer Mike.
If he saw a bull headed his way he would hike.
